

# Spooktacular Souldern

Welcome to our socially distanced Halloween extravaganza!

We hope that children of all ages have a fun evening out around Souldern.

## How to play:

- The event will run between 5pm and 7pm on Saturday 31<sup>st</sup> October.
- Use the map (page 2) to find our “sticker stops” dotted round the village. We will post a digital version of this map on the Souldern website ahead of the evening if you want to use a device to navigate.
- Each house will have a unique sticker which goes in its corresponding box in the collection sheet (page 3).
- Build up our fantastic custom picture as you go round the village. Thanks to Magda for the fantastic artwork!
- *Depending on printers, they may shrink the page for the collection sheet, so be a bit generous with space for the stickers.*
- But don't worry, we will post a full page version of the drawing on the Souldern website after the event so that everyone can have a go at colouring in!
- We will have a few collection sheets available at the Fox from 5pm, but please try and make your own copies.
- When you're done, head to the Fox for goodie bags and jacket spuds!

## About those jacket spuds...

- **Please preorder these, by Wednesday.** Participating kids can get a free cheese and/or beans potato, while accompanying adults can get a chilli spud for a fiver. Preorder direct through The Fox or on the Souldern Spooktacular WhatsApp group.

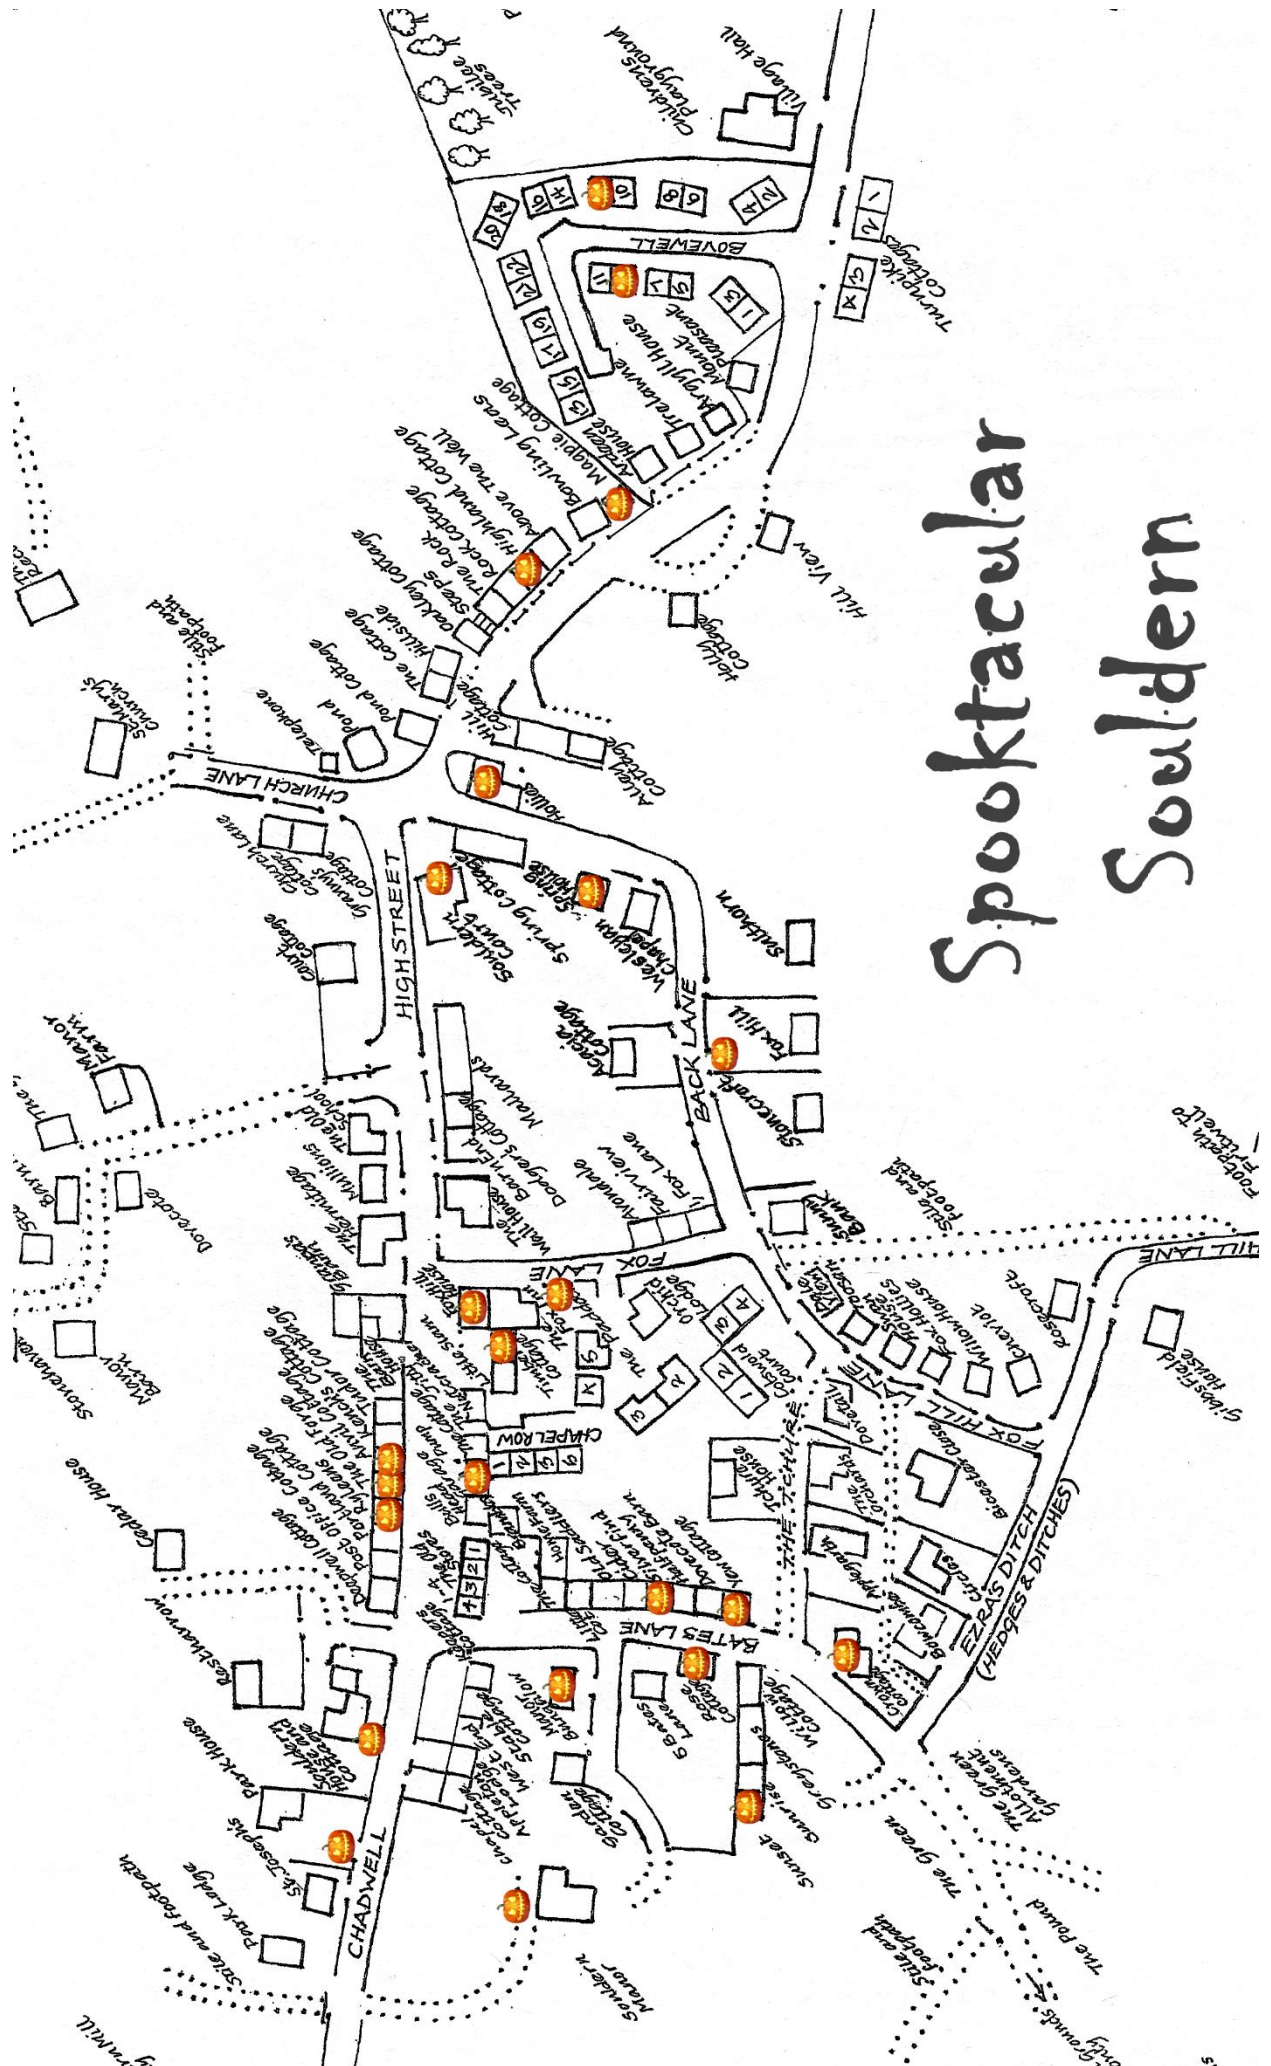

## A couple of things:

- Please stay safe. This isn't a formal event and there aren't any road closures or marshals. You're responsible for your own and your family's safety on the way round, especially crossing roads.
- Please respect national Covid rules. Try and avoid merging into larger groups on the way round and please respect the distance between people from separate households.
- Equally, in the Fox, please respect their Covid procedures. Follow signage, use sanitiser when and where advised, and use all the space that's available.

**Above all, have fun!**
