

SOULDERN CHAPEL IS ON THE BRINK OF CLOSURE

If the Chapel is to remain open, then it needs more people to attend the weekly services on a regular basis.

If you are not sure, then please come along to one of our Sunday Services before you make up your mind. **There is a service every Sunday at 2.30pm.** You are assured of a very warm welcome in a friendly environment.

The Chapel is heated and has toilet facilities.

Souldern Wesleyan Reform Chapel in Back Lane has been welcoming people for almost 150 years, to its weekly services and to the Sunday School.

We had hoped to celebrate our 150th Anniversary next year in June 2019 but sadly this is now looking very unlikely.

Due to ever decreasing numbers at the weekly services and less and less support for the special events such as the recent Harvest Supper and Service we are now looking at the very real **possibility of closing permanently in the New Year.**

If the Chapel were to close it would be a permanent decision as the building would then be sold.

PLEASE DO NOT LET THE CHAPEL CLOSE AND A PIECE OF SOULDERN'S HISTORY BE LOST FOREVER.
